

Ministerial Report

Although we have had a year and a half of restrictions in place due to Covid-19, thankfully we have been able to resume our role as the church.

This elapsed time has helped us to determine more specifics about our area of outreach and evangelism. New ministries and projects have arisen with the targeted aim of "breaking the ice" and making friends with our neighbors in La Perla (the Pearl) community.

During these three years that the church has been established in this area, we have identified that there is a lot of poverty around us. Every Friday the gospel is shared with more than 50 homeless people who live on the outskirts of the Civil Hospital. Just several blocks away from the church, around 40 homeless people sleep during the months of December, January, and part of February

when the temperature drops. Hence, the project "Covering the Pearl community" and it's surroundings. Our goal is to collect 100 blankets to give to the poor and homeless people of our community by the beginning of December.

Another one of our projects to reach our community are "Christmas baskets". Last year we were able to bless 15 homes and in a practical way share with them the love of Jesus. The goal for this year is to have contact with 20 families, so we need to raise funds for 20 baskets at a cost of \$500 pesos each.

Our next project is focused on children's ministry. This October 28th - 30th we will be offering a series of kids workshops as an outreach to the community for 40 children with the purpose of sharing the plan of salvation. These workshops will be given free of charge, so we will need to raise the amount of \$6,000 pesos to buy the materials and snacks that will be given to the children. We are pressed with a deadline of Sunday October 25th to raise the funds for this event.

We wanted to share with you about these upcoming projects, so that your prayer for us can be more specific and in the same way, share this opportunity. If God puts it in your heart to bless the church and be a part of one of these projects.

God has remained faithful with Iglesia de Fe. Despite all the global chaos, we continue forward, fulfilling the call and vision of God for us. In the same way, we want to be part of His projects. If there is something we can help with or pray about, let us know. We are all about doing the work of God's kingdom together!

Sincerely,

Pastor Miguel and Cadmiel Alcalá.
